Liquid Fence Deer & Rabbit Repellent

Repel deer and rabbits from your landscape with Liquid Fence Deer & Rabbit Repellent. Unlike many repellents that work as taste deterrents, requiring the animal to browse to be effective, the Liquid Fence product works on scent, keeping animals from taking a bite. The repellent is long lasting, rain resistant, and environmentally and family friendly. It works year-round, dries odorless, and does not harm plants or animals. MSRP: \$24.99 (1 gallon, ready to use).

Shelter-Kit Barn Kits

Shelter-Kit's do-it-yourself approach allows owners to build their own structure with the use of straightforward, step-by-step directions. No prior carpentry skills are needed. Quality hand-selected materials arrive at the site ready for assembly. Shelter-Kit barns are available in widths ranging from 16 to 36 feet and lengths of 16 to 64 feet and can be customized to meet additional needs. MSRP: \$11,600 (basic 16'x16' structure).

Bobcat S630 Skid Steer Loader

The Bobcat S630 skid steer loader offers a unique cab-forward design and increased window size for better overall visibility. More seat adjustment options accommodate operators of different sizes, and a pressurized cab keeps the operator comfortable. The lower rear frame extends beyond the tailgate, protecting the rear from damage. Rated operating capacity is 2,180 pounds. MSRP: \$33,000 (base model).
